

PHASE I (Monday, May 7th – Friday, May 11th)

1. Access to the Kneip Building will be limited to the entrance off of Church
 - a. NO ACCESS off of Governors Drive as that is the work zone for Phase I.
2. Access to the McKay Building will be from their North entrance.
 - a. The North entrance will ONLY BE ACCESSIBLE from the North (from 4th Street)
 - b. NO ACCESS in/out of their South entrance as that is the work zone for Phase I.
3. There will be NO ON-STREET PARKING between the North and South Entrances to the McKay Building to ensure ample room for haul trucks to exit the work zone.

PHASE II (Monday, May 14th – Friday, May 18th)

1. Primary Access to the Kneip Building will be off of Church (Governors Drive entrance will be available, but we prefer you use Church if possible).
2. Access to the McKay Building will be from their South entrance.
 - a. The South entrance will ONLY BE ACCESSIBLE from the South (from Governors drive via Church Street)
 - b. NO ACCESS in/out of their North entrance as that is the work zone for Phase II.
3. There will be NO ON-STREET PARKING on Governors Drive between Church Street and the South Entrance to the McKay Building to ensure ample room for haul trucks to exit the work zone.

Disclaimer – this is our anticipated schedule and we will work hard to try to hit these timelines. However with any weather or unforeseeable issues that arise – the schedule can push.

Also attached is the map that Brooke will provide to the general public which we hope will minimize folks trying to use Governors for the next few weeks.
