Vendor 1 Published 01/05/2010	01/05/2010 11:46:01 AM	An addendum has been made to the following specification: "Toner must be biobased and not petroleum based." The specification now reads: "Toner must be biobased." See the revised document "24923 Remanufactured Biobased Toner Cartridges Addendum 1" in Mercury Commerce for the changed specification. We realize that there must be some petroleum based product, but the toner must include a biobased product.	24923 Remanufactured Biobased Toner Cartridges (24923_Remufactured_Biobased_Toner_Cartridges.pdf) 24923 Remanufactured Biobased Toner Cartridges Addendum 1 (24923_Remufactured_Biobased_Toner_Cartridges_Addendum_1.pdf) Attachment A-State	01/31/2010	01/30/2011
