A seller doing business in a state that is not a member of the Streamlined Agreement must obtain documentation to support exempt transactions as required by that state.
South Dakota Streamlined Sales and Use Tax Agreement
Certificate of Exemption Instructions

*Use this form to claim exemption from sales tax on purchases of otherwise taxable items. The purchaser must complete all fields on the exemption certificate and provide the fully completed certificate to the seller in order to claim exemption.*

**Warning to purchaser:** You are responsible for ensuring that you are eligible for the exemption you are claiming. You will be held liable for any tax and interest, as well as penalties imposed by the member state due the tax on your purchase, if the purchase is not legally exempt.

**Misuse of exemption certificates in South Dakota:** Any purchaser who knowingly and intentionally purchases items for resale that he or she knows will not be resold, or provides an invalid exemption certificate with the intent to evade payment of the tax, must pay the use tax on these items and may be guilty of a Class I misdemeanor and fined up to 50% of the tax owed. If a business legitimately purchases an item for resale, but later uses that item, the purchaser is responsible for reporting and paying use tax on that item.

**Purchaser instructions for completing the exemption certificate**

1. Some purchasers may wish to complete a single certificate for multiple states where they conduct business and regularly make exempt purchases from the same seller. If you do, check the box on the front of the SSUTA Certificate of Exemption to indicate that you are attaching the **Multistate Supplemental form**.

   If you are not attaching the Multistate Supplemental form, enter the two-letter postal abbreviation for the state under whose laws you are claiming exemption. For example, if you are claiming an exemption from sales or use tax imposed by the state of Minnesota, enter "MN" in the boxes provided. If you are claiming exemption for more than one member state, complete the **SSUTA Certificate of Exemption: Multistate Supplemental form**.

2. **Single purchase exemption certificate:** Check this box if this exemption certificate is being used for a single purchase. Include the invoice or purchase order number for the transaction.

   If this box is not checked, this certificate will be treated as a blanket certificate. A blanket certificate continues in force so long as the purchaser is making recurring purchases *(at least one purchase within a period of twelve consecutive months)* or until otherwise cancelled by the purchaser.

3. **Purchaser information:** Complete the purchaser and seller information section, as requested. You must include an identification number for you or your business. Include your state tax identification number and identify the state and/or country that issued the number to you. If you do not have a state tax identification number, enter the Federal Employers Identification Number (FEIN) issued to your business, or if no FEIN number is required, enter your personal driver’s license number and the state in which it is issued. Foreign diplomats and consular personnel must enter the individual tax identification number shown on the sales tax exemption card issued to you by the United States Department of State’s Office of Foreign Missions.

   **Multistate Purchasers:** The purchaser should enter its headquarters address as its business address.

4. **Type of business:** Circle the number that best describes your business or organization. If none of the categories apply, circle number 20 and provide a brief description.

5. **Reason for exemption:** Circle the exemption that applies to you or your business and enter the additional information requested for that exemption. If the member state that is due tax on your purchase does not require the additional information requested for the exemption reason code circled, enter "NA" for not applicable on the appropriate line. If an exemption that is not listed applies, circle "M Other" and enter an explanation. The explanation for "M Other" must include a clear and concise explanation of the reason for the exemption claimed.

   **Multistate Purchasers:** Attach the **SSUTA Certificate of Exemption – Multistate Supplemental Form** and indicate the applicable reason for exemption and identification number (if required) for each of the additional states in which the purchaser wishes to claim exemption from tax.

   **CAUTION:** The exemptions listed are general exemptions most commonly allowed by member states. However, each state’s laws governing exemptions are different. Not all of the reasons listed may be valid exemptions in the state in which you are claiming exemption. In addition, each state has other exemptions that may not be listed on this form. To determine what sales and use tax exemptions are allowed in a particular state refer to the state’s web site or other information available relating to that state’s exemptions.

**Seller:** You are required to maintain proper records of exempt transactions and provide those records, to Member states of the SST Governing Board, Inc., when requested. These certificates may be provided in paper or electronic format. Exemption certificates must be made available to Member states in the form it is maintained.
You are relieved of the responsibility for collecting and remitting sales tax on the sale or sales for which the purchaser provided you with this exemption certificate, even if it is ultimately determined that the purchaser improperly claimed an exemption, provided all of the following conditions are met:

1. All fields on the exemption certificate are completed by the purchaser;
2. The fully completed exemption certificate is provided to you at the time of sale;
3. The purchaser claims an entity-based exemption on a purchase made at a seller’s location in a state that allows the exemption;
4. If a business purchaser claims a multiple points of use exemption reason code, the items being purchased are not tangible personal property other than computer software;
5. You do not fraudulently fail to collect the tax due; and
6. You do not solicit customers to unlawfully claim an exemption.
