**Agreement:** This notice establishes an agreement resulting from BIT Contract 17261.

**Pricing:** Price decreases are acceptable on invoice(s) presented for payment. If the open market price of a specific contract item is under the vendor's price, the State reserves the right to purchase the lower priced product.

**Delivery:** All orders are F.O.B. destination with all transportation and handling charges paid by the contractor. Deliveries shall be made at such time, place and in such quantities as shown on the purchase order. All items in common usage are to be shipped within 20 days from the date of purchase order. An additional 10 days will be allowed for back-ordered items when notification is given, in writing, to the ordering agency that the items are not available for immediate delivery.

**Contractor Information:** All delivery tickets, invoices and statements shall show the purchase order number, brand or trade name and State Item Number, when applicable, as shown in the contract. Invoices must be submitted in duplicate to the State agency ordering the merchandise. DO NOT SUBMIT STATEMENTS OR INVOICES TO THE OFFICE OF PROCUREMENT MANAGEMENT AS IT ONLY DELAYS PAYMENT.

**Purchasing Instructions:** All purchases made by State agencies under the Executive Branch, and Institutions, from this contract, must be routed through the Office of Procurement Management or as directed by the Bureau of Administration, and entered on the State's accounting system and should default when requisitions are created. Agencies must purchase the preapproved standardized Bureau of Information and Telecommunications items listed below; no substitutions will be allowed.
