

LP GAS

NOTICE OF AWARDS

Buyer: Scott Nelson
Phone: 605-773-4275
Fax: 605-773-4840
Email: Scott.Nelson@state.sd.us

Date: June 14, 2024

- 1. Contract Term:** This notice establishes contract(s) resulting from Solicitation # 24IFB10692 for a period of one year, from July 1, 2024 through June 30, 2025 inclusive. The Solicitation and the vendor's response, along with the South Dakota Vendor's Manual are made part of the vendor's contract by this reference.
- 2. Extension:** The State shall have the option, at the State's sole discretion, to extend the contract(s) resulting from this Solicitation for an additional two (2) months past the original contract expiration date. The State may renew this contract for up to four (4) additional one (1) year periods. Notice shall be given by the State to the vendor at least 60 days prior to the termination of the contract, and the vendor shall agree to such extension within 30 days thereafter, before such extension period shall become effective.
- 3. Pricing:** All margin prices quoted in the referenced proposal are firm for the term of this contract. Base price shall be adjusted daily. The adjustments for the day will be made immediately upon receipt of 'DTN' and available on the Internet for the State agencies using the contract. In the event that 'DTN' is not published for a period of time, the "unbranded average price" indicated in the last published edition shall apply until the next published issue is received. The using agencies shall access the Internet for the daily price changes. The listing for Rapid City will be a Statewide average of the daily propane listings from the other two sites.

Vendors will be authorized to invoice State accounts the adjusted price for orders received. Orders made before 1:00PM CST are to be billed at that day's pricing. Orders made after 1:00PM CST, that are not delivered that same day, are to be billed at the next day's pricing.

If a product ordered is not available, the agency is authorized to buy from a non-contract vendor or wait to be notified by the contractor when the fuel is available to be re-ordered.

If the open market price in the local area covered by a specific contract is \$.025 or more cents per gallon under the vendor's price, a state agency may purchase the less expensive product after first giving the vendor an opportunity to meet the lower price.

- 4. Delivery:** The contractor shall furnish and deliver all of the awarded items of supplies, equipment, and commodities enumerated in the schedules and specifications, at the price and according to the terms and conditions, and of the kind, quality, and amounts and at the times specified in the schedules and specifications. The supplies, equipment and commodities shall be delivered to the Director of the Office of Procurement Management or to such State Department or State agency as he shall direct and such delivery shall be made without cost to the State.

All deliveries are F.O.B. Destination and are to be made within two (2) business days from time of order.

5. **Certification Relating to Prohibited Entity:** Contractor certifies and agrees that the following information is correct:

In preparing its response or offer or in considering proposals submitted from qualified, potential vendors, suppliers, and subcontractors, or in the solicitation, selection, or commercial treatment of any vendor, supplier, or subcontractor, Contractor is not an entity, regardless of its principal place of business, that is ultimately owned or controlled, directly or indirectly, by a foreign national, a foreign parent entity, or foreign government from China, Iran, North Korea, Russia, Cuba, or Venezuela, as defined by South Dakota Executive Order 2023-02.

Contractor further agrees that, if this certification is false, such false certification will constitute grounds for the State to terminate this Agreement. Contractor further agrees to provide immediate written notice to the State if during the term of this Agreement it no longer complies with this certification and agrees such noncompliance may be grounds for termination of this Agreement.

6. **Restriction of Boycott of Israel:** For contractors, vendors, suppliers, or subcontractors with five (5) or more employees who enter into a contract with the State of South Dakota that involves the expenditure of one hundred thousand dollars (\$100,000) or more, by submitting a response to this solicitation or agreeing to contract with the State, the bidder certifies and agrees that the following information is correct:

The bidder in preparing its response in considering bids submitted from qualified, potential vendors, suppliers, and subcontractors, or in the solicitation, selection, or commercial treatment of any vendor, supplier, or subcontractor, has not refused to transact business activities, has not terminated business activities, and has not taken other similar actions intended to limit its commercial relations, related to the subject matter of the bid, with a person or entity on the basis of Israeli national origin, or residence or incorporation in Israel or its territories, with the specific intent to accomplish a boycott or divestment of Israel in a discriminatory manner. It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the State to reject the bid submitted by the bidder on this project and terminate any contract awarded based on the bid. The successful bidder further agrees to provide immediate written notice to the contracting executive branch agency if during the term of the contract it no longer complies with this certification and agrees such noncompliance may be grounds for contract termination.

7. All delivery tickets, invoices and statements shall show the purchase order number, brand or trade name and State Item Number when applicable as shown in this contract. Invoices must be submitted in duplicate to the State Agency ordering the merchandise. **DO NOT SUBMIT STATEMENTS OR INVOICES TO THE OFFICE OF PROCUREMENT MANAGEMENT AS IT ONLY DELAYS PAYMENT.**

Steven L. Berg, Director
Office of Procurement Management
