Date: 18 February 2008

1. **Contract Term:** The contracts established by this notice are exclusive to the listed contractor(s) for a period of three (3) months. The State may, after the original term of the contract(s) has expired, purchase comparable computer hardware from competing vendors if, in the State’s sole discretion, it is in the State’s best interests to do so. Prior to purchase from any competing vendor, the State will evaluate the competing vendor’s product according to the specification scoring and contractor will be offered an opportunity to submit a lower price.

2. **Extension:** After expiration of the original term, the contract(s) shall automatically extend and remain in effect until terminated in writing by either party.

3. **Pricing:** If any of the items awarded on the contract(s) decrease in price during the term of the contract, the contractor must contact the Office of Procurement Management in writing within seven (7) working days of the decrease(s). The State will receive full advantage of the price decrease(s) when it becomes effective. Failure to notify the Office of Procurement Management of price decreases may result in the cancellation of the contractor’s contract and recovery of the overcharged amount from the contractor’s performance bond. Price decreases are acceptable on invoice(s) presented for payment. If the open market price of a specific contract item is under the contractor’s price, the State reserves the right to purchase the lower priced product.

4. **Periodic Review:** The State of South Dakota will be conducting periodic reviews of market prices and changes in technology.

11. **Liquidated Damages**: The State will assess liquidated damages on deliveries that are not made in accordance with the schedule established herein. Damages will be in the amount of two percent (2%) of the purchase price per calendar day. Damages may be waived by the Office of Procurement Management Director if the contractor submits to the Director, and ordering agency, prior to the expiration of the delivery schedule established herein, written documentation that the failure to satisfy the contract delivery is due to the circumstances beyond the control of the contractor.
