1. **Contract Term:** This notice establishes contract(s) resulting from IFB # 2304 for a period of one year, from May 1, 2021 through April 30, 2022 inclusive. The IFB and the vendor's response, along with the South Dakota Vendor's Manual are made part of the vendor's contract by this reference.
2. **Extension:** The State may, at its own discretion, extend a contract for an additional six (6) past the contract expiration date. The State may renew contract(s) for up to five (5) additional one (1) year periods. The State will review price lists, state agency's need, contract sales data and contractor performance to determine whether to renew each contract for another year. If a contract(s) is renewed, a notice shall be given by the State to the contractor(s) at least 60 days prior to the termination of the contract, and the contractor shall agree to such extension within 30 days thereafter, before such extension period shall become effective.
3. **Pricing:** Pricing shall remain firm for the first year of the contract. The manufacturer may update their Published Commercial Price List once per year thereafter. The manufacturer must submit their request to update their Published Commercial Price List at least ninety (90) calendar days prior to the effective date. Any update to the price list will not be effective unless approved by the Office of Procurement Management via an amendment to the contract. If the request is approved, the adjustment to Published Commercial Price List will carry a price guarantee period of twelve (12) months and be effective on the date of the designated effective date specified on the contract amendment.

Price decreases are acceptable on invoice(s) presented for payment. If the open market price of a specific contract item is under the manufacturer's price, the State reserves the right to purchase the lower priced product.

4. **Delivery:** Unless otherwise specified in the solicitation or awarding documents, all deliveries shall be F.O.B. Destination. The bidder(s) awarded the contract(s) shall prepay all packaging, handling, shipping and delivery charges and firm prices quoted in the bid shall include all such charges. All products and/or services to be delivered pursuant to the contract(s) shall be subject to final inspection and acceptance by the State at destination. The State assumes no responsibility for goods until accepted by the State at the receiving point in good condition. Title and risk of loss or damage to all items shall be the responsibility of the supplier until accepted by the receiving agency. The supplier(s) awarded the contract(s) shall be responsible for filing, processing, and collecting any and all damage claims accruing prior to acceptance.

Manufacturer or their dealer(s) shall be required to deliver products and services as bid, during normal working hours, on or before the required date. Deviations, substitutions or changes in products and services shall not be made unless expressly authorized in writing by the Office of

Procurement Management. Deliveries shall be made at such time, place and in such quantities as shown on the Purchase Order. The delivery schedule will be agreed upon by the state and manufacturer or dealer prior to issuance of a formal Purchase Order.

5. **Warranty:** Products shall be warranted for a minimum of 10 years. Warranty shall cover all parts, labor & freight cost associated with repairs and/or replacement of defective equipment. Accidents, misuse, and negligence are not covered by this warranty. The warranty shall commence on the date the equipment is put into service by the using agency. Vendor will use whatever means required to facilitate this warranty and will insure total satisfactory performance to the using agency.
6. **Restriction of Boycott of Israel:** For contractors, vendors, suppliers, or subcontractors with five (5) or more employees who enter into a contract with the State of South Dakota that involves the expenditure of one hundred thousand dollars (\$100,000) or more, by submitting a response to this solicitation or agreeing to contract with the State, the bidder certifies and agrees that the following information is correct:

The bidder in preparing its response in considering bids submitted from qualified, potential vendors, suppliers, and subcontractors, or in the solicitation, selection, or commercial treatment of any vendor, supplier, or subcontractor, has not refused to transact business activities, has not terminated business activities, and has not taken other similar actions intended to limit its commercial relations, related to the subject matter of the bid, with a person or entity on the basis of Israeli national origin, or residence or incorporation in Israel or its territories, with the specific intent to accomplish a boycott or divestment of Israel in a discriminatory manner. It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the State to reject the bid submitted by the bidder on this project and terminate any contract awarded based on the bid. The successful bidder further agrees to provide immediate written notice to the contracting executive branch agency if during the term of the contract it no longer complies with this certification and agrees such noncompliance may be grounds for contract termination.
