Pierre, South Dakota 57501-3182

**Owner:** State of South Dakota Bureau of Administration

Scope Of This Addendum:

The following becomes a part of the original plans and specifications, taking precedence over the items that may conflict. The bidder shall note receipt and make acknowledgment of the addendum on his bid form, incorporating its provisions in his bid.

- Item No. 1 Amend Item 5 to read:  
"Complete replacement of both the car and hoistway door equipment. The new operator shall have a closed loop control, a permanent magnetic synchronous motor and variable frequency drive. The new operator shall be designed for 800,000 door operations per year."
- Item No. 2 Amend Item 6 to read:  
"Furnish and install a new over speed governor. The governor shall be tested, preset and sealed at the factory. The governor shall include an over speed switch and rope guard."

- Item No. 3. Amend Item 7 to read:  
"Upgrade elevator car and landing signalization to meet ADA requirements including leveling, hall call buttons, hall lanterns, braille, door reopening devices, door and signal timing for hall calls and car calls, elevator floor plans, car illumination, car operating panels and buttons, position indicators and communication. Provide ADA upgrades to bring elevator into compliance with current ADA standards."
- Item No. 4 Add Item 13 to read:  
"Furnish and install new hoist ropes. Re-socket hoist ropes as necessary."

KRISTI HONEYWELL, P.E.  
State Engineer
