Hi Terry, I have the following answers for you:

1. The rate is \$.3185 per line/per column
2. No rate changes over last 5 years
3. \$3.35 per column inch... non legal notice rate
4. Estimate \$250 average annual publishing cost
5. 5% of \$250 = \$12.50 x 5 years =\$62.50

Any questions let me know please.
