

Thank~You

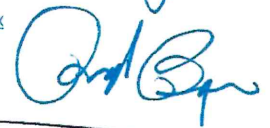

To the great speakers, sponsors, the businesses that volunteered to set up booths, and to all that attended the 2019 Physical Plant Director's Conference, on behalf of the State Engineers Office we would like to Thank all of you that helped make the conference a great success! Because of the great enthusiasm we are bringing it back again next year. So mark your calendars and plan to attend the **2020 Physical Plant Director's Conference, June 4th & 5th, 2020.**

Now that you have had a chance to sit back and reflect, remember we are always open to suggestions on the venue of the conference. Also feel free and let us know any suggestions of what you would like to hear about or see come out of next year's event.

Again Thanks!

Stacy Langdeau, PE
