

# Capitol Bldg. Tuckpointing, 2019

PM: Kristine Schlomer

A/E: Brosz Engineering

Prime: Mid-Continental Restoration

GMP: \$1,121,568.00

CCO's: \$51,855.00

Description: The Capitol Bldg. was completed in 1910. Since that time, little to no maintenance has been completed regarding the exterior stone. This project tuckpointed and cleaned the entire exterior. An extensive scaffold system was constructed to reach the dome.
