

Capitol Bldg. Law Library, 2015

Post - Restoration

PM: Kristine Schlomer

A/E: Koch Hazard Architects

Prime: Puetz Corporation

GMP: \$496,000.00

CCO's: \$63,366.94

Description: The Law Library, located in the Capitol Bldg., had been “modernized” over many years. This project restored the library to its original, historic state circa 1910, when the Capitol was originally opened. The restoration included historical painting, flooring, light fixtures, window coverings and much more.
