

SDWF Maintenance Shop, 2019

PM: Steven Palmer

A/E: ARC International

Prime: Complete Concrete

Contract: \$166,200.00

CCO's: \$8,823.08

Description: The SDWF maintenance shop was dark, stuffy, and poorly insulated. This project was to decrease the energy consumption of the building by installing energy efficient lighting, increased insulation, and adding a proper ventilation system.
